Title: Video camera utilizing sequential diversity imaging for image clarification
Art Unit: 2622 Examiner: Luong T. Nguyen

June 19, 2009

Commissioner for Patents
Alexandria, VA 22313-1450

Dear Sir,

This is a supplemental amendment to the above-identified application. On December 1, 2008 I submitted Amended Claims in response to the Office Action dated November 26, 2008.

The Amended Claims did not have a cover sheet with the application information and did not have a page for remarks, conclusions and signature. This supplemental amendment corrects those deficiencies. The Amended Claims submitted on December 1, 2008, are resubmitted here, without change, in this supplemental amendment.

Respectfully submitted,

/ Robert A. Gonsalves /
